*“The Lord is my Shepard, I shall not want.”  
Psalm 23:1*

This passage is the most read and most loved passage in all of the Bible. Despite its popularity, this passage is not for everyone. It can only be claimed by those who know Jesus Christ as their Savior. Then and only then, can we claim our Lord as our Shepard.

It is comforting to know that we have a good Shepherd who always cares for us and He is always by our side. A few things about our Shepherd that are encouraging to us in this passage.

First, He is our Pathfinder. He finds the right path I need to take. A shepherd’s responsibility is to find the right pasture for their sheep. Our Shepherd knows the path we need to take to find the right pastures for us. Don’t question His judgement. He knows what path is best.

Second, He is our Protector. No matter what we face, our Shepherd will always be there to protect us. Like the Psalmist, it is comforting to know that God will take care of my enemies for me.

Third, He is our Provider. I love the phrase the psalmist says, “My cup runneth over.” I can honestly look at my life and see all that the Shepherd has provided for me and say, “My cup runneth over.” God has done so much for me that the blessings are overflowing in my life. God has been good! If you are saved, rest assured in knowing that we have a Shepherd who is there to find a path for you, protect from all enemies, and provide for you. “The Lord is my Shepherd; I shall not want.”
